### Course Objectives:

The main objectives of the course are to:

- Explore the ethical concepts and applications through an examination of recreational, youth and elite sport.
- Demonstrate the student the experience in analyzing ethical issues as they relate to sport.
- Analyze the decision making tools that can be used by sports managers when confronted with ethical problems at workplace.
- Provide the student with information that they can use to build the own opinions on what is ethical and unethical in sports management.

### Learning Outcomes:

After completion of the course students are expected to be able to:

1. Understand the values, philosophy and ethics within the sporting context.
2. Make morally reasoned decisions in various sport settings.
3. Respond more responsibly when faced with challenging ethical dilemmas.
4. Learn how to serve as role models for ethical conduct.
