University of Nicosia, Cyprus

<b>Course Code</b> ARCH 482	<b>Course Title</b> Work Placement	<b>ECTS Credits</b> 6
<b>Department</b> Architecture	<b>Semester</b> Spring	<b>Prerequisites</b>
<b>Type of Course</b> Required	<b>Field</b> Architecture	<b>Language of Instruction</b> English
<b>Level of Course</b> 1 <sup>st</sup> Cycle	<b>Year of Study</b> 4 <sup>th</sup>	<b>Lecturer()</b> NA
<b>Mode of Delivery</b> face-to-face	<b>Work Placement</b> N/A	<b>Co-requisites</b> None

### Objectives of the Course:

The main objectives of the course are to:

- to give students the opportunity of experience working within an architecture, or urban design studio.
- to enable students to appreciate the requirements of the industry and to apply classroom theory into practice.
- To help students understand the practice by visiting studios and agencies during a supervised professional placement
- To help students produce a written report of their experience and activities
- To work with professionals in the field
- To help students make contacts in their profession.

### Learning Outcomes:

After completion of the course students are expected to be able to:

- Observe and identify through working experience the professional practice of architecture and the technical skills demanded of architects
- Evaluate the necessary knowledge needed by the offices in order to pursue employment after graduation
- Have made valuable contacts in their profession
- Examine and prepare design projects in different stages of implementation
- Assess the requirements of the industry and apply classroom theory into practice.

### Course Contents:

- This will vary based on the placement of the student. But, students should be exposed to a variety of aspects of the workings of an architectural office.
