

### University of Nicosia, Cyprus

<b>Course Code</b> BADM 480	<b>Course Title</b> Internship	<b>Credits (ECTS)</b> 2-6
<b>Department</b> Management & MIS	<b>Semester</b> Fall/Spring	<b>Prerequisites</b> MGT 281 Introduction to Management <b>Co requisite</b> BADM 475 Business Policy & Strategy
<b>Type of Course</b> Elective	<b>Field</b> Management	<b>Language of Instruction</b> English
<b>Level of Course</b> Undergraduate	<b>Year of Study</b> 4 <sup>th</sup>	<b>Lecturer</b> By selection

#### Objectives of the Course:

To write a report, approximately 2,000 words covering the following areas:

- A brief outline of the organization that the student is working for.
- Analysis of the target problem assigned to the student.
- How will the organization address the problem suggesting possible alternative solutions.
- Highlight the possible impact to the organization of the solutions suggested
- Draw a schedule of implementation of proposed solutions.

In developing this report use the appropriate tools and models from the BADM 475 Strategy and Business Policy class.

Ensure that references are quoted in a reference list.

#### Learning Outcomes:

Upon completion of the course the student should be able to:

- Analyse and assess organisational functions.
- Demonstrate how knowledge and theory can be applied in practice in real business problems analysis.
- Demonstrate creativity in generating new ideas and problem solving.
- Apply theory, models, frameworks and decision-making tools to identify key issues and make recommendations based on their findings
- Analyse and assess the impact on the external and internal environments of new policies introduced in an organization.
- Ability to work autonomously and make decisions based on the analysis
- Conduct research; write the report and present analysis and conclusions in a logical way.
