

Become a CIM Affiliate and improve your career prospects

Engagement with CIM will improve your skills, knowledge and enhance your employability.

CIM (The Chartered Institute of Marketing) is the world's largest professional marketing body with members in over 120 countries and accredited study centres in more than 40 countries. You can become a CIM Affiliate (Studying) Member whilst being at University and gain access to many benefits that will support your university studies and help to develop your career.

These benefits include:

- Practical Insight webinars presented by marketing experts online:
exchange.cim.co.uk/webinar/
- Marketing expert –online business tools, and best practice guides
cimmarketingexpert.co.uk
- Exchange – online news and resource hub:
exchange.cim.co.uk
- Catalyst members magazine
- Online resources including journals and reports
- A first step to gaining access to a professional development programme which is a route to Chartered Marketer status
- Access to CIM module awards and qualifications

Register as an Affiliate
(Studying) Member online.
