Course Code  | Course Title          | Credits (ECTS) |
-------------|-----------------------|----------------|
IREL-102/HIST-202 | World History Since 1500 | 6             |

**Department**  | **Semester**  | **Prerequisites** |
European Studies and International Relations  | Spring  | None |

**Type of Course**  | **Field**  | **Language of Instruction** |
Required  | History  | English |

**Level of Course**  | **Year of Study**  | **Lecturer** |
1st Cycle  | 1st  | Hubert Faustmann |

**Mode of Deliver**  | **Work Placement**  | **Co-requisites** |
Face-to-face  | N/A  | None |

**Objectives of the Course:**

The main objectives of the course are to:
1. Introduce and examine key events that have shaped the history of the world since 1500
2. Explain the rise of Europe to global dominance since 1500 and its decline in the 20th century
3. Examine the transformations of the international system since the 15th century
4. Introduce and understand various philosophical developments and conceptual models relevant to various historical events (Feudalism, Enlightenment, Liberal Democracy, Fascism, Communism, Globalisation)
5. Introduce and analyse global politics during the Cold War
6. Examine the Post-Cold War Era and our contemporary world

**Learning Outcomes:**

1. After completion of the course students are expected to be able to:
2. Demonstrate knowledge and understanding of the main historical, political, social, economic and cultural developments of the world since 1500.
3. Illustrate knowledge of the historical roots of contemporary global realities.
4. Demonstrate knowledge and understanding of the development, rules and prevalent values of the modern international system.
5. Use IT skills (word processing, Internet and e-mail) as study and communication tools.
6. Illustrate familiarity with the most important events/developments of the Post-Cold War era.
7. Analyze the historic significance of the topics covered.
8. Illustrate the ability to communicate in writing and orally on issues in European affairs and international relations and be able to organize the available time and cope with deadlines.
9. Use libraries, bibliographical material and academic research in an efficient manner.
10. Illustrate the ability to continue learning in a self-directed manner and work on an academic level within the intended professional field.
11. Report in the English language both orally and in written form at a high level of competence.
