

Academic Personnel Short Profile / Short CV

University:	University of Nicosia
Surname:	Menikou
Name:	Markella
Rank/Position:	Associate Professor
Faculty:	School of Humanities and Social Sciences
Department:	Architecture
Scientific Domain:	Architecture, Architectural Technology & Construction, Bioclimatic Architecture

Academic qualifications (list by highest qualification)				
Qualification	Year	Awarding Institution	Department	Thesis title (Optional Entry)
MA in Bioclimatic Architecture	2007	Manchester School of Architecture	Architecture	The development of an open prefabrication building system using recycled ISO shipping containers, with inherent bioclimatic strategies.
Advanced Diploma in Professional Practice in Architecture [RIBA Part3]	2004	Royal Institute of British Architects	N/A	N/A
BArch(Dist), Bachelor of Architecture [with Distinction]	2003	Manchester School of Architecture	Architecture	Dissertation: <i>'Architecture - Outil in the Fourth Machine Age' [A critique in search for a technologically inspired, instrumental architecture against the</i>

				<p><i>tyrannies of form and obsessive value imageability; from the era of mechanisation to the age of mass communication.]</i></p> <p>Thesis Project: <i>'Theatre – Outil; an open prefabrication building system developed and tested through a pilot project for a performance building.'</i></p>
BA(Hons) Architecture [First Class]	2000	Manchester School of Architecture	Architecture	<p>Final Project: <i>Stalybridge Boatyard Building (technologically intelligent lightweight steel building system).</i></p> <p>Dissertation: <i>'Mediarchitecture' (How does the accelerating transformation of our societies into a media and information culture, the transition from analogue to digital and a change of paradigm from material to immaterial aesthetic, affect architecture).</i></p>

Employment history

Period of employment		Employer	Location	Position
From	To			
09/2008	present	University of Nicosia	Nicosia, Cyprus	Associate Professor, Head of the Department of Architecture, Programme Coordinator
10/2007	present	Markella Menikou Chartered Architect	Limassol, Cyprus	Freelance Architect
01/2009	05/2009	University of Cyprus	Nicosia, Cyprus	Adjunct faculty, Department of Architecture
09/2007	09/2008	Scott Brownrigg Chartered Architects	Limassol, Cyprus	Project Architect
09/2003	09/2007	Manchester School of Architecture	Manchester, UK	- Head of BA Technology (09/2006-09/2007) - Lecturer in Architectural Technology (Full-time faculty member)
07/2000	10/2004	A.E.W Architects	Manchester, UK	- Architect (RIBA Part3) (07/2003- 10/2004) - Architectural Assistant (07/2000 - 07/2003)

Exhibitions

Ref. Number	Date	Topic	International / Local	Location	Role in Exhibition
1	2018	'Urban Conditioning' Public exhibition, competition presentations, and awards ceremony. Exhibition highlighting the regeneration strategies for the historic centre of Yeri municipality.	Local	Architecture Research Centre, Nicosia, Cyprus	Organization of exhibition, presentations and ceremony.
2	2016	"Unit-4 Architecture Competition Winning Projects", at "Flying Away" festival.	Local	Orpheas football field, Nicosia, Cyprus	Exhibition organisation/ participation at a 3-day festival. Organizing and running "World of the Future" Workshop
3	2015	"Technology is the answer, but what was the question?", at the 1st Cyprus Mediterranean Science Festival. [Exhibited work produced within an academic architecture research laboratory aiming to divine the future via definitions of science and technology]	Local	Carobmill, Limassol Cyprus	Exhibitor
4	2015	'Modernist Architecture in Limassol 2', photographic exhibition in	Local	Architecture Research Centre, Nicosia, Cyprus	Exhibition organisation

		collaboration with the “Limassol Architects Association”.			
5	2015	“Divining the future?”, exhibition of award winning international competition entries and international workshops within the proposal ‘Built’ dialogues in the Green Urban Lab Life inside_outside a Bubble Event organised by Urban Gorillas in various locations in Cyprus.	Local	Medieval Castle, Limassol, Cyprus	Exhibitor / Exhibition organisation
6	2014	“Modernist Architecture in Limassol 1”, liaised with the “Limassol Architects’ Association” to organize the event (a series of presentations followed by an exhibition), to celebrate the International Architecture Day.	Local	Pattichion Municipal Museum, Limassol, Cyprus	Exhibition organisation
7	2012	“Architecture and City in South East Europe” exhibition in Salonika [Inclusion of output work from my design studio courses in the exhibition]	International	Salonika, Greece	Exhibitor
8	2008	“Easylove” (in collaboration with M.Hadjisoteriou, A.Swiny, A.Kleanthous, G.Hadjichristou, G.Souglides), at The Cyprus Pavillion at Venice Architecture Biennale 2008: In Cyprus–relax as Architects-Reinterpret, curated by Sir Peter Cook	International	Venice Architecture Biennale, Venice, Italy	Exhibitor

9	2008-present	Architecture Department end of year exhibition. (annual exhibition)	Local	Architecture Research Centre, Nicosia, Cyprus	Exhibition organisation/ participation
10	2007	'Best of the Best', Architecture Week at the CUBE gallery.	International	Cube Gallery, Manchester, UK	Exhibition organisation

Research Projects				
Ref. Number	Date	Title	Funded by	Project Role
1	2019	CAA Summer Workshop, “Crafted Space_ A Hybrid Structure in Platres Village” Member of the organising team and teaching faculty for a 2-week long workshop run by the Department of Architecture, UNIC in collaboration with the CAA. Led a team of architecture students and young architects from Cyprus and abroad to construct a series of timber structures in Platres Village.	Cyprus Architects Association, Private Funds	Organisation / Teaching faculty
2	2019	Paper-Shade: Research and Development of Modular Building Shading Systems Utilising Recycled Paper Towards Serial Production	PYS IPSONAS Ltd	Research team member/ academic partner
3	2017	Submitted the research project proposal “RETRO-CLAD; Design and Development of Alternative Retrofitting Strategies for Existing Building Envelopes, utilizing Recycled-paper Prefabricated Cladding and Shading Systems” for funding under RPF, Excellence Hubs, RESTART 2016-2020.	-	Project Coordinator
4	2017	Woodley Design AID, Kenya. The Cyprus Architects Association Summer Workshop in collaboration with the Faculties of Architecture of the University of Cyprus,	Cyprus Architects Association, Private Funds	Teaching faculty / tutor

		University of Nicosia, Frederick University, Neapolis University and the University of Patras for the design of a Child Medical Centre in Nairobi, Kenya.		
5	2016	Submitted the research project proposal “B.R.I.C.C. (Building Research and Innovation in Construction Components); Design and Development of Innovative Sustainable Modular Masonry Components for the Construction Industry” for funding under RPF, Research in Enterprises, RESTART 2016-2020.	-	research team member/ partner
6	2016	Submitted a proposal towards the “UNIVERSITAS Endowment Fund” Internal Funding for Research Projects, for the project “Building Prototype for Long-Term Emergency Housing; Design, Construction, and Live Assessment”	-	research team member/ partner
7	2014	“Creation Cubed” AR-TE 2014 Liaised with the “Limassol Architects’ Association” and coordinated two teams of our students to successfully participate in the “Creation Cubed” AR-TE 2014, a live 2-day 1:1 installation workshop. The work produced was exhibited for two weeks in the heart of Limassol’s historical centre.	Private Funds/ Limassol Architects Association / UNic	Organiser /Participant
8	2010	Submitted a proposal for a 4-year long EU funded research project (“Envelope Power”), under the EU Seventh Framework Programme (FP7). As this was a Collaborative Project - Large-	-	research team member/ partner

		<p>scale integrating project CP-IP(funding scheme) the consortium included European Universities (from Delft, Leeds, Prague, Paris, Denmark, Belgium) and key players in the European architecture scene like MVRDV Architects and Ove Arup Engineers.</p> <p>Submitted a proposal for a 3-year long EU funded research project (“E-novation”), under the “Intelligent Energy Europe” programme.</p>		
9	2008	<p>Selected by curator Sir Peter Cook as one of the teams to represent Cyprus at the Venice Architecture Biennale 2008(theme of the Cyprus Pavillion: In Cyprus–relax as Architects-Reinterpret), with the project “Easylove” (in collaboration with M.Hadjisoteriou, A.Swiny, A,Kleanthous, G.Hadjichristou, G.Souglides)</p>	<p>Ministry of Education and Culture.</p>	<p>research team member</p>
10	2006	<p>MSA Squared</p> <p>-Initiated and implemented the amalgamation of the MSA (Manchester Society of Architects) and the MSA (Manchester School of Architecture) to form a new and closer partnership between the architectural practices and the school...."MSA Squared".</p> <p>-Organized a major promotional launch event to celebrate this historic collaboration (400 guests from the university and practices). Put together an "MSA Squared" booklet to publicize the initiative. Following events comprised of 'open</p>	<p>Manchester School of Architecture</p> <p>Manchester Society of Architects</p>	<p>Coordinator</p>

		lectures', 'open studios', 'humanities, technology and design event weeks' and 'mentoring' schemes. - Worked towards setting up 'MSA SQUARED YEAR BOOK', a book that would feature work of Manchester practices, students and academics, as an annual record of the integrated architectural culture that MSA Squared promotes in the city.

Other Achievements

Ref. Number	Date	Title	Key Activities:
1	2019	City Zen City-Zen Roadshow, Nicosia	<p>The project brought internationally recognised experts in architecture, technology and environmental sustainability in Cyprus to work together with local residents, municipalities and stakeholders to explore new ideas for the sustainable future of Nicosia. I initiated the “landing” of the project in Nicosia and acted as the local partner and member of the team. Co-hosted a series of workshops, meetings with key stakeholders/governmental authorities and public presentations. May 2019</p> <p>The research outputs have been published extensively online. (e.g. https://www.tudelft.nl/2019/bk/making-nicosia-a-greener-healthier-place/)</p>
2	2019	Swat SWAT Nicosia	Initiation and organisation of the intense collaborative workshop SWAT Nicosia between faculty and students of Delft University of Technology (TU Delft) and the Department of Architecture of the University of Nicosia, 25th Feb- 8th Mar, ARC, Nicosia
3	2017	“ A bit of a domestic”	Initiation and organisation of the intense collaborative international workshop “ A bit of a domestic” between

			the Manchester School of Architecture unit QED , and our unit “Divining the future; Technology is the answer, but what was the question?”, Manchester, UK, November 2017.
4	2016	The Hay Slide and the Haunted House @ The October Fair	Designed and implemented two of the main attractions of the event “The October Fair”, the Hay Slide and the Haunted House. This was a charity event revolving around Halloween from the 27th until the 30th of October 2016 at the Limassol Marina, Trakasol Cultural Centre. The event attracted around 20 000 people and proceeds were donated to three organisations (Center for Preventative Paediatrics, Special School ‘Apostolos Loukas’, Children Love Treasury Fund).
5	2015	“Biomimicry in Architecture”	Initiation and organisation of the intense collaborative workshop “Biomimicry in Architecture” between the Manchester School of Architecture unit QED , internationally renowned group Exploration Architecture our unit “Divining the future; Technology is the answer, but what was the question?”, Manchester, UK, December 2015.
6	2015	“Tech-visions: Designing the house of the future”	Selected to deliver the workshop “Tech-visions: Designing the house of the future” at the 1st Cyprus Mediterranean Science Festival at the Lanitis Carob Mill Complex in Limassol, 5th December 2015. The workshop inspired participants to create a series of intuitive sketches and diagrams responding to vital questions concerning the house of the future.
7	2013-2020	- Concrete House@Paniotis (completed) - Courtyard House@Philothea (completed)	Personal architectural projects (Markella Menikou Chartered Architect):

		<ul style="list-style-type: none"> - Existing House to office refurbishment @Nicosia (completed) - Low budget House @Kolossi (completed) - Apartment renovation @ Limassol (completed) - Apartment renovation 2 @ Limassol (completed) - Metal canopy @Limassol (completed) - House on a slope@Agios Athanasios (construction stage) - Linear House@ Paphos (construction stage) - Duplexes Building @Strovolos (preliminary design stage) - House garden extension @ Limassol (preliminary design stage) - Consultancy for high-rise development@ Limassol (feasibility study) - Mini residential block @ Limassol (preliminary design stage) - Planning consultancy for winebar renovation, Limassol (building permit stage) 	<p>Quality commissions where I deal with personal research interest themes of instrumental architecture, technology as an operational language in architecture, prefabricated building systems, buildability and sustainability.</p>
8	2015	“House for the Year 2115”	<p>Organised and delivered the “House for the Year 2115” public workshop, within the proposal ‘Built’ dialogues in the Green Urban Lab Life inside_outside a Bubble event organised by Urban Gorillas in various locations in Cyprus. The workshop aimed to explore concepts applicable to the production, operation, use and evolution of human habitats into the future. The event was published in various local media. Limassol, March 2015.</p>
9	2014	“CORNERBLOCK”	<p>Initiation and organisation of the intense collaborative workshop “CORNERBLOCK” between the Manchester</p>

			School of Architecture unit QED and our unit “Divining the future; Technology is the answer, but what was the question?”, Manchester, UK., December 2014. The focus of the event was an invited design competition sponsored by Bruntwood (large construction/ development firm in the UK). Prizes were awarded to the best entries to the first stage of the process. The complete range of proposals will be collated as a resource for the sponsors who intend to develop the site based on the ideas presented within a budget of £100,000. (pending)
10	2005-2007 2001-2003	Received full subsidy for following the MA Bioclimatic Architecture, from the Manchester School of Architecture - A.E.W Architects Sponsorship for the academic years 2001-2003. - Cypriot Government Scholarship (3 years) for the top ten students in the country, having attained highest academic achievement. - Bank of Cyprus Scholarship (3 years) for highest academic record.
