

Invitation

MSc CDDF UNIC Workshop 2021

Series of Events | Online & Physical | 29.11.2021 – 10.12.2021

The Department of Architecture of the University of Nicosia cordially invites you to a series of events under the umbrella of the **Distance Learning MSc Programme in Computational Design and Digital Fabrication** offered in collaboration with the University of Innsbruck, Institute for Experimental Architecture Hochbau in Austria.

- 29.11.21** | Lecture | **Online**
18:00 - 19:00
- **Digital Design, Material Focus** - Era Savvides, Director, Urban Radicals
- 1.12.21** | 3 x Short Presentations | **Online**
18:00 - 19:00
- **The Physical and Virtual Dimensions of Computational Design (15 min each)**
 - **The Oval** - Odysseas Georgiou, Director, Seamlexity
 - **ZEBRA, Mari Memorial** - Michalis Georgiou, Associate Professor, University of Nicosia
 - **NFT/Metaverse** - Adonis Zachariades, Founder Renovi
- 3.12.21** | 4 x Short Presentations and Round Table Discussion
17:00 - 18:00
- Online** & Physical | Location: UNIC ARC Amphitheatre, Nicosia
- **Local Challenges (10 min each)**
 - **Steps Towards Sustainable Complexity** - Konstantinos Psomas, Architect, Director, Psomas Architects
 - **Structural Engineering in a Digital Environment** - Yiannis Perikleous, Structural Engineer, Partner A. J. Pericleous
 - **The Construction Challenges that Shaped Eleftheria Square Project**
Giorgos Neophytou, Project Manager, Lois Builders
 - **Mind the Gap** - Odysseas Georgiou, Computational Designer, Director, Seamlexity
- 3.12.21** | ARC VR 2021 Exhibition Launching | **Online**
19:00 - 20:00
- **Forward** - Markella Menikou, Head of ARC
 - **Future Architects in the Digital Era; Advanced Technologies in Architectural Education**
(5 x Short presentations in memory of Stavros Vergopoulos)
 - **Dimitris Gourdoukis**, Assistant Professor, Aristotle University of Thessaloniki
 - **Anastasios Tellios**, Associate, Professor, Aristotle University of Thessaloniki
 - **Elias Constantopoulos**, Professor, University of Patras
 - **Spyros Papadopoulos**, Professor, University of Thessaly
 - **Polyxeni Mantzou**, Professor, Democritus University of Thrace
 - **Launching and Walk-Through**, Andreas Prokopiou, Seamlexity
 - **Networking Event** (Online and Physical)
- 8.12.21** | Lecture | **Online**
18:00 - 19:00
- **The New Raw** - Panos Sakkas and Foteini Setaki, Founders, The New Raw
- 10.12.21** | Workshop Output Presentation | Physical - UNIC ARC Amphitheatre, Nicosia
17:30 - 18:30
- **MSc Workshop Output - Students Presentation**
- 10.12.21** | Keynote Lecture | Physical - UNIC ARC Amphitheatre, Nicosia
18:30 - 19:30
- **Structural Solutions to Architectural Challenges. The Cases of the SNFCC and the New Cyprus Museum** - Dr. Gregory G. Penelis, Managing Director, Penelis Consulting Engineers SA
 - **Networking Event**

Important Information: All Online Sessions will be recorded

To join physical sessions
Valid Safe Pass is required

To join online sessions
1. Click the word "Online"
next to the session you
wish to join

2. Enter your name
and email address

3. Enter password:
