SCHOOL OF LAW YEAR IN REVIEW 2021

INTRODUCTION BY THE DEAN, PROF. ACHILLES C. EMILIANIDES

Recent decades have seen a continuous discussion about the challenges posed to legal studies by technological innovation, new research methods, and interdisciplinary. The recent pandemic has abruptly led legal studies to a new era, which had been discussed for a long time: online teaching, increased usage of podcasts and online material as teaching methods, a globalized environment. Law is a unique academic field of study. The methodology, objectives, and teaching methods of legal studies differ from the standard respective notions of sciences and social sciences in university curricula and research, and have mostly led legal studies to be considered as an isolated, albeit extremely important, field. Law remains closely connected with the legal profession, and often views itself as a professional field, more so than an academic one. Whereas, most other disciplines have introduced collaborative works as the norm, legal academics still mostly view themselves as isolated researchers, who do not embrace the 'lab' or 'group' mentality, and who are skeptical of multi-authored publications. In most jurisdictions, the sole author monograph remains the 'golden rule' for promotion, whereas collaborative or joint publications are discouraged. Even the joint publication of PhD students with their supervisors, which is the norm in most other disciplines, is still viewed as an exception, with the PhD student aiming to complete a single authored monograph. Legal research and education remains predominantly national in nature, and individualised, whereas most other disciplines have grown to be globalised and depend on collectivity. In an era of technological advancement, most law texts remain, in spite of recent progress, hard to find, and expensive.

Despite criticism, however, there is little doubt that law is one of the fields that deeply affects the lives of people, and is a pillar for the organisation of societies. It is a highly complex field, with dozens of specialisations, and connection with most other scientific fields. Hence, law remains one of the most important disciplines in a university. The question of how legal studies can become more relevant to a modern society, however, remains a topical one, and the lessons learnt during the pandemic can help towards addressing these concerns in a post-Covid world.

The experience of the pandemic has shown that there are significant difficulties in opting for the online delivery of undergraduate law courses, together with alternative methods of assessment, and immediately adopting it as a norm in a post-pandemic environment would not be a credible option. However, the option of providing blended (hybrid) education might seem like an attractive solution in a post-pandemic society. The use of technology could improve the delivery of education and move away from the traditional techniques of legal education towards a more collaborative, societally relevant, and student-friendly pedagogical environment. Engaging the students with audiovisual and online legal material could enhance the student experience, in a manner appropriately directed towards a new generation of technologically advanced students. Legal education during the pandemic has shown that engaging the intellect of students and developing their critical thinking and scepticism, as conditions of legal education, can also occur in an online environment, albeit not exclusively. Quality could be served by introducing a number of new teaching and learning methods used successfully in other disciplines.

UNIVERSITY of NICOSIA

HIGHLIGHTS

Graduation Ceremony 2020/2021

On 28 June 2021, the School of Law held its Graduation Ceremony for both the academic years 2019-2020 and 2020-2021. This was the first time that the School held a distinct Graduation Ceremony, instead of participating in an all-encompassing University one. It was also the first time that the Ceremony referred to two graduating classes, since the pandemic had necessitated the postponement of the 2020 Graduation Ceremony. The Rector of the University of Nicosia, Professor Philippos Pouyioutas, highlighted the international ranking position of the University, which (at that time) was in the top 1000 universities in the world by the Times Higher Education World University Rankings 2021 (THE WUR 2021), and currently in the top 601-800 position (THE WUR 2022). Addressing the graduates of the School, the Rector expressed the wish that they confront the challenges that society currently faces, and that they further specialise in their respective fields. The Dean of the School Prof. Emilianides, noted that we live in an era of liberalisation and unprecedented technological change and we need to be as open-minded and innovative as possible, in order to effectively address the challenges and opportunities these developments present. The guest of honour of the ceremony, Law Commissioner Louiza Christodoulidou-Zannetou, called on the graduates to help create the state for which our ancestors gave their lives by redefining our collective objectives. She further called the graduates to serve the community, and to remain humble and humane, whereas at the same time always aim higher.

Re-Election of HoDs

Prof. Andreas Theophanous and Dr Christos Papastylianos were re-elected as HoDs for the Department of Politics and Governance, and the Department of Law, respectively. Dr Constantinos Adamides was re-elected as Associate Head of the Department of Politics and Governance, whereas Prof. Irene Stamatoudi was elected as Associate Head of the Department of Law.

The Conference marked the 60th anniversary of Cyprus' accession to the Commonwealth, and celebrated the recent cooperation agreement signed between the School of Law and the Institute of Commonwealth Studies. The Secretary-General of the Commonwealth Patricia Scotland, addressed the opening ceremony and highlighted the importance of Cyprus' continuous presence and engagement with the Commonwealth. Dean Emilianides, and Prof. Philp Murphy, Director of the Institute of Commonwealth Studies, provided a comprehensive overview of Cyprus' long history with the institutions of the Commonwealth. Για κάθε απλό πολίτη, αλλά και για την ίδια την Κυπριακή Δημοκρατία σηματοδοτήθηκε η έναρξη διαρκούς πάλης για την αποφυγή της διχοτόμησης και της μη αποδοχής των τετελεσμένων της τουρκικής εισβολής, με μια παράλληλη διαδικασία συνεχούς αγώνα για επιβίωση.
2. **Achilles C. Emilianides, Anastasios Antoniou, Competition Law in Cyprus, The Hague: Kluwer, 2021, pp. 208.** Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of competition law and its interpretation in Cyprus covers every aspect of the subject - the various forms of restrictive agreements and abuse of dominance prohibited by law and the rules on merger control; tests of illegality; filing obligations; administrative investigation and enforcement procedures; civil remedies and criminal penalties; and raising challenges to administrative decisions.
3. **Αχιλλεύς Κ. Αιμιλιανίδης (επ.), Achilles C. Emilianides (1903-1978) The Complete Legal Works, Athens-Nicosia: Hippasus, 2021, pp. 580.** This volume collects the legal essays of Achilles C. The studies of Achilles Emilianides deepen on specialized topics of international law, history of law and Cypriot law and due to their subject-matter remain current and useful to lawyers, historians and students of international politics.
4. **Αχιλλεύς Κ. Αιμιλιανίδης, Ένα Μακρόσυρτο Παιχνίδι Σκακιού. Οι Απόρρητες Διαπραγματεύσεις για τις Βρετανικές Βάσεις (1959-1960), Αθήνα-Λευκωσία: Hippasus, 2021, σσ. 102 (με πρόλογο Τάσου Τζιωνή).** Η μονογραφία αναλύει τις διαπραγματεύσεις για τις βρετανικές βάσεις που ξεκίνησαν μετά την υπογραφή των Συμφωνιών Ζυρίχης-Λονδίνου και ολοκληρώθηκαν με την οριστικοποίηση των νομικών κειμένων που ήταν αναγκαία για τη μετάβαση του καθεστώτος της Κύπρου από εκείνο της αποικίας στο ανεξάρτητο κράτος της Κυπριακής Δημοκρατίας. Ο Μακάριος υιοθέτησε μια σκληρή διαπραγματευτική τακτική που αποδείχθηκε επιτυχής σε αμφότερα τα ακανθώδη ζητήματα της διαπραγμάτευσης, δηλαδή της εδαφικής έκτασης των βρετανικών βάσεων και του μελλοντικού τους καθεστώτος.
5. **Ανδρέας Θεοφάνους, Η Δεκαετία των Κρίσεων και το αύριο: Οι Προκλήσεις της Κυπριακής Δημοκρατίας και η Αναζήτηση Προοπτικής, Αθήνα: Εκδόσεις Σιδέρης, 2021: σσ. 473.** Το βιβλίο αυτό αποτελείται από κείμενα που γράφτηκαν την περίοδο 2011-2021, μια ταραχώδης δεκαετία για την Κύπρο, το περιφερειακό, ευρωπαϊκό και διεθνές περιβάλλον. Σημαδεύτηκε από μια σειρά κρίσεων, με τις επιπτώσεις τους, και από άλλα σημαντικά γεγονότα, κάποια εξωγενή, άλλα καθαρά εσωτερικά και συστημικά. Η δεκαετία έχει δημιουργήσει μια νέα κατάσταση πραγμάτων. Η Κύπρος του 2021 είναι άλλη από εκείνη του 2011. Το ίδιο και η Ελλάδα, όπως και η Ευρώπη.
6. **Αντώνης Μανιτάκης, Ο Ελληνικός Συνταγματισμός 200 χρόνια μετά, Αθήνα: Εκδόσεις ΕΑΠ, 2021, σσ. 168.** Η υπεράσπιση του ελληνικού δημοκρατικού και φιλελεύθερου συνταγματισμού, μαζί με την καλλιέργεια ενός συνταγματικού πατριωτισμού, έχει σήμερα την έννοια της υπεράσπισης της ενότητας και της ιδιαιτερότητας της συνταγματικής μας ταυτότητας. Ο ελληνισμός έχει όλα τα εφόδια, πνευματικά και ψυχικά, και διαθέτει μια μοναδική οικουμενική ιστορική μνήμη, τέτοια και τόσο, ώστε να μπορεί να συμμετέχει ενεργά στο παγκόσμιο γίγνεσθαι και να αντιμετωπίζει με σύνεση, με αυτοπεποίθηση και με κάθε δυνατή πρόγνωση και προσαρμοστικότητα τις απρόβλεπτες διακινδυνεύσεις της νέας «οικουμενικότητας».

7. **Αντώνης Μανιτάκης, Η Συνταγματική συγκυρία της Μεταπολιτευτικής Δημοκρατίας (1976-1997), Αθήνα: Επίκεντρο, 2021, σσ. 248.** Τα κείμενα που περιέχονται στην παρούσα έκδοση αναφέρονται στη συνταγματική συγκυρία της μεταπολιτευτικής περιόδου. Παρόλο που τα περισσότερα γράφτηκαν εν θερμώ, αποτυπώνοντας το συνταγματικό κλίμα της εποχής, διατηρούν μια εντυπωσιακά επίκαιρη αναλυτική και ερευνητική αξία. Έχουν όλα το χαρακτήρα της αδέσμευτης πολιτικά, αν και στρατευμένης σε ορισμένες θεμελιώδεις αξίες του δημοκρατικού πολιτεύματος παρέμβασης και αποβλέπουν στην ενημέρωση του απλού πολίτη πάνω σε κρίσιμα για τη λειτουργία του πολιτικού μας συστήματος ζητήματα.
8. **Νέστωρ Κουράκης, Εισαγωγή στην Κλασική Ρητορική, Αθήνα-Λευκωσία: Hippasus, 2021, σσ. 336 (με πρόλογο Αχιλλέα Κ. Αιμιλιανίδη και επίμετρο Χρήστου Κρεμμύδα).** Το βιβλίο επιχειρεί να καλύψει με τρόπο απλό, κατανοητό αλλά και επιστημονικά τεκμηριωμένο ένα σημαντικό κενό στην ελληνόφωνη βιβλιογραφία. Συγκεκριμένα, αναλύει σε ένα πρώτο μέρος την ιστορική διάσταση των θεωρητικών πτυχών της Κλασικής Ρητορικής. Ταυτόχρονα όμως σε ένα δεύτερο μέρος παρουσιάζονται στο βιβλίο και οι είκοσι εκείνες ειδικότερες ομαδοποιημένες κατηγορίες πρακτικών γνώσεων που στηρίζονται στην Κλασική Ρητορική και που είναι χρήσιμες για την ανάπτυξη ενός επικοινωνιακά επιτυχημένου λόγου, προφορικού ή και γραπτού, στις σημερινές κοινωνίες.
9. **Farid Mirbagheri and Emiliou A. Solomou, Historical Dictionary of Cyprus, 2nd ed., Lanham: Rowman & Littlefield, 2021, pp. 320.** This second Edition contains a chronology, an introduction, and an extensive bibliography. The dictionary section has several hundred cross-referenced entries on important personalities, politics, economy, foreign relations, religion, architecture, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Cyprus.
10. **Irene Stamatoudi and Paul Torremans (eds), European Union Copyright Law. A Commentary, 2nd ed., Cheltenham (UK) - Northampton (US): Edward Elgar Publishing, 2021, pp. 1248.** This significantly revised and updated second edition addresses the rapid development of EU copyright law in relation to the advancement of new technologies, the need for a borderless digital market and the considerable number of EU legal instruments enacted as a result. Taking a comparative approach, the Commentary provides comprehensive coverage and in-depth commentary on each of the EU legal instruments and policies, both from an EU and an international perspective.
11. **Μιχάλης Κοντός (επ.), Τάσος Παπαδόπουλος. Αρχείο, τ. Γ' Η Πορεία προς την Ευρωπαϊκή Ένωση και τα Νέα Σχέδια Λύσης του Κυπριακού (1991-2003), Λευκωσία: Κέντρο Μελετών Τάσος Παπαδόπουλος, 2021, σσ. 337. Γιώργος Κέντας (επ.), Τάσος Παπαδόπουλος. Αρχείο, τ. Δ' Η Διάσωση της Κυπριακής Δημοκρατίας και η Ένταξη στην Ευρωπαϊκή Ένωση και στην Ευρωζώνη (2003-2008), Λευκωσία: Κέντρο Μελετών Τάσος Παπαδόπουλος, 2021, σσ. 461.** Η τετράτομη αυτή έκδοση αποτελεί μια πρώτη, εκτενή εισαγωγή - για τους μελετητές και το ευρύ αναγνωστικό κοινό - στο Αρχείο του Τάσου Παπαδόπουλου, με την ανθολόγηση δεκάδων εγγράφων ανά περίοδο. Ο κάθε τόμος περιλαμβάνει μια εκτενή εισαγωγή από τον ερευνητή - επιμελητή και ακολουθεί η αναδημοσίευση των επιλεγμένων εγγράφων, όπως ακριβώς έχουν διασωθεί στο Αρχείο και με βάση τα διεθνή επιστημονικά πρότυπα δημοσίευσης εγγράφων.
12. **Άννα Πλεύρη, Διαμεσολάβηση σε αστικές και εμπορικές υποθέσεις, Ερμηνεία κατ' άρθρο, άρθρων 1-31 του ν.4640/2019 & των περί εξώδικης επίλυσης της διαφοράς άρθρων του ΚΠολΔ, Αθήνα-Θεσσαλονίκη: Σάκκουλα, 2021, σσ. 628.** Μετά από περίπου ένα χρόνο εφαρμογής του ν. 4640/2019, έχουν ήδη αναδειχθεί σημαντικά δογματικά, ερμηνευτικά και πρακτικά ζητήματα, τα οποία προκύπτουν κυρίως από τη σύνδεση της διαμεσολάβησης με την πολιτική δίκη. Το παρόν συλλογικό έργο φιλοδοξεί να συμβάλει στην ερμηνεία και εφαρμογή των ως άνω ρυθμίσεων υπό το φως και το δόγμα του δικονομικού δικαίου στην κατεύθυνση της αναζήτησης ερμηνευτικών λύσεων επιστημονικά βάσιμων και πρακτικά εφαρμόσιμων, ενώ δεν λείπουν και προτάσεις προς το νομοθέτη.

13. Δημαρέλλης Κωνσταντίνος, *Η Άρση της Αυτοτέλειας ιδίως στο Εργατικό Δίκαιο*, Αθήνα-Θεσσαλονίκη: Εκδόσεις Σάκκουλα, 2021, σσ. 297. Το ζήτημα της άρσης της αυτοτέλειας μιας κεφαλαιουχικής εταιρίας έχει μελετηθεί και αναλυθεί στο πλαίσιο των εμπορικών συμβάσεων που συνάπτει ένας μέτοχος, ενώ δραστηριοποιείται κρυπτόμενος πίσω από το αυτοτελές νομικό πρόσωπο της ανώνυμης εταιρίας. Δεν έχει τύχει, όμως, αντίστοιχης επεξεργασίας στο πλαίσιο λειτουργίας των εργασιακών σχέσεων, όπου τυπικά εμφανίζεται ως εργοδότης η κεφαλαιουχική εταιρία μέσω της οποίας δραστηριοποιείται ο μέτοχος. Επιχειρείται, να διερευνηθεί εάν και υπό ποιες προϋποθέσεις ο μέτοχος καθίσταται αυτοτελώς εργοδότης έναντι των εργαζομένων της εταιρίας.
14. Giorgos Charalambous, *The European Radical Left: Movements and Parties since the 1960s*, London: Pluto Press, 2021, pp. 368. With a unique 'two-level' perspective, Charalambous approaches the left through both social movements and party politics, looking at identities, rhetoric and organisation, and bringing a fresh new approach to radical history, as well as assessing challenges for both activists and scholars. Charalambous looks at three moments of rapid political change - the late 1960s to late 1970s; the turn of the millennium; and post-2008.
15. Γρηγόρης Μ. Μιχαηλίδης, *Πτωχευτικό Δίκαιο, Το νέο Δίκαιο της Αφερεγγυότητας*, 2021, Αθήνα: Lex Book, σσ. 380. Η μελέτη αναλύει τη νέα πτωχευτική νομοθεσία με τρόπο επιστημονικό, ακαδημαϊκό, ευσύννοτο και πρακτικό. Στο τελικό αποτέλεσμα συνεισφέρει η συγκριτική επισκόπηση του ευρωπαϊκού και του διεθνούς πτωχευτικού δικαίου, οι ρυθμίσεις των οποίων έχουν ενσωματωθεί στην ελληνική έννομη τάξη. Συμπυκνώνει όλα όσα χρειάζεται ο φοιτητής της νομικής στη μελέτη του, όπως και ο ερμηνευτής και ο εφαρμοστής του δικαίου στο λειτουργημά του.
16. Γιώργος Τσαούσης, Ηλιάνα Νικολάου, *Εγχειρίδιο Κυπριακής Διοικητικής Δικονομίας*, Αθήνα: Νομική Βιβλιοθήκη, 2021, σσ. 304. Το βιβλίο «Εγχειρίδιο Κυπριακής Διοικητικής Δικονομίας» αναλύει συστηματικά το υφιστάμενο δικονομικό κανονιστικό πλαίσιο απονομής της διοικητικής δικαιοσύνης στην Κύπρο. Αναδεικνύει, αναλύει και σχολιάζει το σύνολο των δικονομικών αρχών όπως έχουν αποκρυσταλλωθεί και οριοθετηθεί από την επίκαιρη νομολογία. Το βιβλίο απευθύνεται σε Δικηγόρους, διοικητικούς Δικαστές, ερευνητές και φοιτητές, φιλοδοξώντας να αποτελέσει ένα πολύτιμο εργαλείο κατανόησης και μελέτης του μηχανισμού απονομής διοικητικής δικαιοσύνης στην Κύπρο.
17. Ιωάννης Ε. Καστανάς, *Το Έκκλητον ενώπιον του Οικουμενικού Πατριάρχου στην Εκκλησία της Κύπρου*, Αθήνα-Λευκωσία: Hippasus, 2022, σσ. 134. Σκοπός της μελέτης είναι να ερευνηθεί το προνόμιο του Εκκλήτου του Οικουμενικού Πατριάρχη όπως αυτό έχει εφαρμοστεί διαχρονικά στην Εκκλησία της Κύπρου και αφετέρου όπως ισχύει σήμερα υπό τον ισχύοντα Καταστατικό Χάρτη ο οποίος μάλιστα είναι ο πρώτος που το προβλέπει ρητά ως ένδικο βοήθημα. Αξιοποιήθηκαν πλην των ιερών κανόνων οι ιστορικές και φιλολογικές πηγές, η νομολογία της Ενδημούσης Συνόδου του Οικουμενικού Πατριαρχείου και οι υποθέσεις Εκκλήτου της Ελλάδας.
18. Θεογνωσία Κουσιπή, *Η Προστασία της Εθνικής Ταυτότητας των Κρατών Μελών & Η Αρχή της Υπεροχής στο Ευρωπαϊκό Δίκαιο*, Αθήνα-Λευκωσία: Hippasus, 2021, σσ. 176 (με πρόλογο Αχιλλέα Αιμιλιανίδη) Το βιβλίο τολμά να αναμετρηθεί με ένα από τα μεγάλα θέματα της διαδικασίας ευρωπαϊκής ενοποίησης και του ευρωπαϊκού δικαίου, την αρχή της υπεροχής του ευρωπαϊκού δικαίου και τη σχέση του με την προστασία της εθνικής ταυτότητας των κρατών μελών. Προσεγγίζει κριτικά την έννοια του συνταγματικού πλουραλισμού σε μια προσπάθεια ερμηνείας της σημασίας της ρήτρας προστασίας της εθνικής ταυτότητας των κρατών μελών.

19. Νικόλας Κυριακίδης (επ.), *Κυπριακό Τραπεζικό Δίκαιο*, Αθήνα: Νομική Βιβλιοθήκη, 2021, σσ. 440. Το βιβλίο αποτελεί έναν πληρέστατο οδηγό αναφορικά με τη λειτουργία του κυπριακού δημόσιου και ιδιωτικού τραπεζικού συστήματος. Αναλύει το εγχώριο, διεθνές και ευρωπαϊκό κανονιστικό πλαίσιο, καθώς και τις σύγχρονες μεθόδους τραπεζικών συναλλαγών. Σκοπός της συλλογικής προσπάθειας των συγγραφέων είναι να καταγράψουν όλες τις μεταβολές που επήλθαν τα τελευταία χρόνια στο ευρωπαϊκό και κατ' επέκταση στο Κυπριακό Τραπεζικό Δίκαιο.

The Review's 33rd Volume comprised, as always, a Spring and a Fall issue. The former was in fact a Special Issue devoted to the recent scientific debate on the foundational questions raised by the COVID-19 pandemic, its threats, challenges, and possible opportunities, as well as the doctrinal assessment of the systemic responses provided vis-à-vis this latest predicament. The papers in this issue examined the effects of the pandemic in Cyprus from a wide variety of thematic angles, reinforcing once again the Journal's multidisciplinary philosophy.

The Fall issue - 33(2) - achieved another major goal that had been set for the past year: that of expanding and enriching the Journal's 'Book Review' Section. As the Editor-in-Chief of *The Cyprus Review*, Dr Christina Ioannou, states in her Fall Editorial, "It has been our firm believe that, as the leading Cyprological academic Journal, we should enhance our role in introducing our readers to the bibliography on International Affairs, Politics, and Social Sciences widely defined, as well as History, Governance, Law, Education and other related fields pertinent to Cyprus, through the publication of more book reviews."

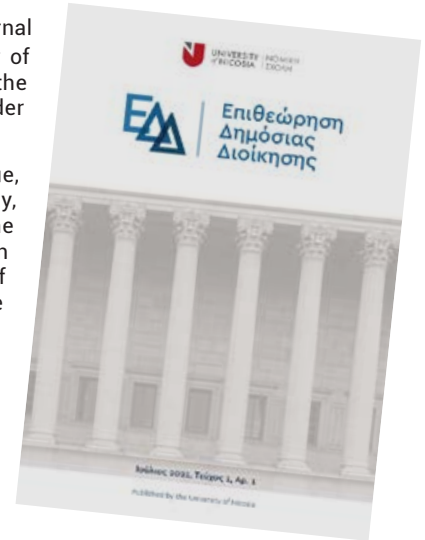

Finally, in 2021 the Journal issued a Call for Papers for an upcoming Special Section on 'The State and Organised Social Groups in the Republic of Cyprus'.

Public Administration Review: 2021 saw the successful launch of the new Journal Επιθεώρηση Δημόσιας Διοίκησης (*Public Administration Review*), dedicated to the study of Public Administration from a multidisciplinary perspective. As outlined in the Editorial Note, the Journal's vision is to provide an academic platform of informed scientific debate on the wider field of public administration.

The Journal aspires to promote original scientific research, foster trans-disciplinary dialogue, and support fruitful collaboration and enhanced interaction between the academic community, practitioners with significant expertise, and institutions of public governance both at the domestic and regional levels. By providing a forum for academic debate, as well as presentation of research results of quantitative research and scientific analysis pertaining to issues of Public Administration, the overall practical goal of the Journal is to contribute towards the improvement of the functioning of the Public Administration in Cyprus and in Greece.

The first issue of the Journal explores topical questions of public administration, public administrative law, civil society, political parties, business process re-engineering, and public accountability. It includes original scientific papers authored by Prof. Ch. Anthopoulos, Prof. G. Aspridis, Prof. V. Kefis, Prof. A. Koustelios, Dr D. Belias, Dr E. Zournatzi, Prof. A. Kriemadis, Dr A. Sioutou, Prof. A. Makrydimitris, Dr M. D. Marouda, Dr Th. Antoniou, Prof. A. Michiotis, Prof. T. Tsekos, and Dr. P. Christofilopoulou.
