

**Mr. Mark Toohey**

Mark Toohey is one of Australia's leading legal experts on the implementation of blockchain technology. He first gave legal advice in relation to cryptocurrency in 2013.

He is a co-founder of Aglive - a leading paddock-to-plate platform. The company has used the Aglive platform as the base for the innovative Angus Verified program run by Angus Australia. Producers can verify that their herd are genuine Angus cattle. Aglive also has done a lot of work in the medicinal cannabis sector to reduce the regulatory compliance workload.

Mark is heavily committed to the implementation of blockchain technology to improve commercial outcomes and to help modernise and transform industries. He has a focus on how new compliance and data sharing methods can deliver strong ESG benefits.
