- Case management,
  - Group work, advocacy, fund raising

**Areas of Concentration/ Research Interests:**

- Qualitative methodologies in social work research
- Management Information Systems in social services
- Migration, asylum, and social work
- Social Policy Planning and management

## Funding (grants, contracts, research awards)

(source, date, project amount)

Duration	15/03/2020-15/06/23
Title	<b>"End Climate Change, Start Climate of Change" - Grant Contract CSO-La / 2019 / 410-153.</b> European Commission under the program Development Education and Awareness Raising- DEAR Raise awareness of young EU citizens and the critical understanding of migration caused by climate change, as it is considered one of the biggest challenges in the world.
Role and Contribution	Project Manager
Duration	15/12/2020 – 14/0/2022
Title	<b>Migrant Information Centres IV</b> Provide supportive services and information provision to migrants towards their active integration to the local society of Cyprus. An emergency accommodation/shelter will also be developed to provide a temporary solution for vulnerable groups.
Role and Contribution	Project Coordinator – Clinical Supervisor.
Duration	03/2020-12/2021
Title	<b>A response to online hate speech through the enhancement of high-quality professional and citizen journalism — SOPHiSM</b> To engage with youth journalists, students of journalism, and young social media influencers in order to develop competences. More specifically, the aim is to strengthen their capacities by enhancing their digital skills and media literacy so as to be able to promptly recognize and effectively respond to hate speech expressions. The development of media literacy and digital skills is also one of the main challenges acknowledged within the context of the European Union’s 2020 Strategy. Boosting these digital skills and media literacy as necessary requirements in the digital society are viewed as essential. Furthermore, the project will deepen their knowledge in racism and human rights issues.
Role and Contribution	Senior researcher-project management
Duration	04/2019-09/2020
Title	<b>Migrant Information Centres III</b> Provide supportive services and information provision to migrants towards their active integration to the local society of Cyprus. An emergency accommodation/shelter will also be developed to provide a temporary solution for vulnerable groups.
Role and Contribution	Member of the Scientific team – Clinical Supervisor.
Duration	02/01/2019 – 30/06/2020

Title	<b>Citizens' Reflection on Future of Europe</b> It addresses the European political topics laid down in the White Paper for the Future of Europe and the thematic reflection papers. By organizing local forums (Citizens' Advisory Councils), the project gives citizens of 8 European cities the chance to explore how specific policy fields based on the themes of social Europe, globalization and migration, economic and monetary union, EU finances, EU defence, digital Europe, youth – make an impact on the local and regional social environment in which citizens live and how they will reflect the everyday life in Europe in implication of the five scenario. Local findings and reflections will be discussed during 8 international citizens' forums in 8 local communities; the results will be publicly presented in the 8 communities and discussed with local, national and European policy- makers.
Role and Contribution	Member of the scientific research team.
Duration	12/2017 – 12/2020
Title	<b>Enhancing Quality Assurance Management and Benchmarking Strategies in Indian Universities - EQUAM-BI</b>
Role and Contribution	The Project brings together European partner HEIs and quality agencies, with an already-proven successful track record in supporting QA/QE in different international contexts, with a series of ('volunteering') Indian universities who are keen to be involved in addressing the country's identified needs for quality improvement in HE. Member of the national research team
Duration	01/2018 – 01/2020
Title	<b>Alliance for Children on the Move: Standard Operating Procedures for Guardians - ASOP4G</b>
Role and Contribution	The project aims to address to develop a national toolkit for guardians (methodology, standard operating procedures/tools, training) for facilitating guardians in the safeguarding of the best interests of the child. By drawing on existing tools, conducting a needs assessment of children and guardians, consulting further the children and adapting the tools to the national context and legal framework, a national toolkit will be employed for a continuous capacity-building of guardians. Senior researcher- member of the scientific research team
Duration	01/10/2017 – 10/10/2018
Title	<b>A PART OF EU. Exchange of good practices on promoting the social integration of young immigrants through participation</b>

Role and Contribution	The project will analyse, in three countries of the EU's Mediterranean axis, specific and cross-sector initiatives that have focused on the youth participation, aiming to identify those that be pointed as best good practice and can be replicated in other countries. The idea behind this initiative lies to the importance of encouraging the participation of immigrants to discuss, reflect and be enacted into actions that will help them to actively integrate to their local societies. Furthermore the highlight of such best practices will potentially influence the Member States to establish actions towards the enhancement of civic, cultural and political participation of immigrants. It is strongly believed that such participation is even more important among young people.
Duration	National coordinator – member of the scientific research team 15/08/2017 – 15/12/2017
Title	<b>Exploring the Living Conditions of Asylum Seekers in Cyprus</b>
Role and Contribution	The main scope of this research proposal is the development of actions, through which the corresponding parties will join forces, know-how and experiences in order to apply an integrated approach in tackling, with greater flexibility and effectiveness, the problems faced by asylum seekers during their stay in Cyprus until their legal status will be processed by the competent authorities.
Duration	Main researcher 01/01/2017 – 30/06/2018
Title	<b>European Citizens for Solidarity (EUROSOL)</b>
Role and Contribution	The project aims at encouraging the development of long-lasting networking between organisations active in the field of solidarity, societal engagement and volunteering at Union level. It also promotes equal opportunities, non-discrimination principles and intercultural dialogue. Moreover it fosters European Citizenship and encourages democratic participation of citizens at EU level.
Duration	Member of the main scientific team 01.12.2016 – 30.11.2017
Title	<b>Migrant Information Centres</b>
Role and Contribution	The project purpose is to design and implement four Migrant Information Centres to provide supportive services and information provision to migrants towards their active integration to the local society of Cyprus. University of Nicosia. Funding: European Commission from the Asylum, Migration and Integration Fund
Duration	Member of the scientific team –professionals’ supervisor. 01/09/2016 – 31/08/2018
Title	<b>Digital Tools for Inclusion of Refugees, Asylum Seekers and Migrants</b>
	The “Digital Inclusion” Project focus on the topic of the refugees' crisis in Europe in line with the Europe 2020 Strategy. It aims to provide AEPs from 6 MS with digital tools for education and training of new arrivals so as to improve their

Role and Contribution	basic skills and key competences for better inclusion to the EU society on the basis of transnational cooperation. Member of the scientific team –researcher
Duration	23/12/2016-22/12/2017
Title	<b>TV Cooking Show: Learning the civilisations of Third countries through cooking</b>
Role and Contribution	The Main Purpose Of The Project is to introduce to the wide audience the civilisation of Third Country Nationals beginning from cooking national plates and discussing cultural, daily life issues and relationships to Cyprus. Member of the scientific team responsible to prepare the educational and cultural material for the TV show.
Duration	01/09/2015 – 31/08/2017
Title	<b>Professional Orientation of Vulnerable Young People</b>
Role and Contribution	The main purpose of the project is to contribute to the development of knowledge-based digital economy and society. In particular it attempts to enhance the digital integration in learning, teaching, training and youth work at various levels. The project aims also to increase equity – making knowledge more accessible to all, so that individuals in vulnerable situations could get access to new learning opportunities, by lowering costs and offering access to digital services Member of the scientific team – researcher
Duration	01/07/2015 – 31/12/2015
Title	<b>Assisted Voluntary Return: Establishment of Migrant Information Centre to assist the Voluntary Return of Third Country Nationals – Phase II</b>
Role and Contribution	The Main Purpose Of The Project Is To Setup An Information Centre to provide information and support for those Third Country Nationals who will decide to return and reintegrate to their country of origin. Scientific coordinator of the Migrants’ Information Centre for Assisted Voluntary Returns and member of the scientific committee.
Duration	15/03/2015 – 30/06/2015
Title	<b>Establishment of Multilevel Network among different countries on Issues related to Voluntary Return of Third Country Nationals – Phase II</b>
Role and Contribution	The main purpose of the project is to setup a multilevel Network in the Mediterranean Region for stakeholders involved in the field of Voluntary Return. It aims to bring together different organisations and/or individuals from governmental institutions, NGOS, CSOs, Local Authorities, policy makers and practitioners working or would like to, in the area of voluntary return of Third Country Nationals. (Action C2, ERF, Annual Programme 2013) Scientific Project Coordinator

Duration	23/01/2015 – 30/06/2015
Title	<b>Assisted Voluntary Return: Establishment of Migrant Information Centre to assist the Voluntary Return of Third Country Nationals</b>
Role and Contribution	The Main Purpose Of The Project Is To Setup An Information Centre to provide information and support for those Third Country Nationals who will decide to return and reintegrate to their country of origin. Scientific coordinator of the Migrants' Information Centre for Assisted Voluntary Returns and member of the scientific committee.
Duration	19/01/2015 – 30/06/2015
Title	<b>Provision of Psychological and Social support for Asylum Seekers and Applicants for International Protection II (Phase II)</b>
Role and Contribution	The main purpose of the project is to setup a mobile unit to provide psycho-social services for Asylum Seekers and Applicants for International Protection across Cyprus (Action C, ERF, Annual Programme 2013). Scientific Coordinator.
Duration	08/12/2014 – 30/06/2015
Title	<b>Establishment of Multilevel Network for Local Authorities related to the Integration of Third Country Nationals</b>
Role and Contribution	The main purpose of the project is to setup a multilevel Network in the Mediterranean Region for Local Authorities involved in the field of Integration of Third Country Nationals. It is also aims to bring together different organisations and/or individuals from governmental institutions, NGOs, CSOs, policy makers and practitioners working or would like to, in an attempt to identify, design and implement effective practices towards the achievement of active integration/ Member of the Scientific team
Duration	01/01/2014-30/06/2014
Title	<b>Establish a multilateral network of various countries for return issues. University of Nicosia. Funding: European Return Fund and Republic of Cyprus</b>
Role and Contribution	Member of the scientific team
Duration	01/02/2014-30/06/2014
Title	<b>Local Authorities Inclusion Programmes for Third Country Nationals.</b> Partners: Nicosia, Agios Dometios and Lakatamias Municipalities. Funding Integration and Solidarity Funds – Ministry of Interior

Role and Contribution	Scientific Consultant
Duration	23/12/2013 – 30/06/2014
Title	<b>Provision of Psychosocial support to asylum seekers and beneficiaries of international protection.</b> University of Nicosia. Funding: European Refugee Fund and Republic of Cyprus
Role and Contribution	Scientific Coordinator
Duration	01/02/2013-30/12/2013
Title	<b>Impact - Improving Monitoring &amp; Protection Systems Against Child Trafficking and Exploitation. CARDET LTD.</b>
Role and Contribution	Principal Researcher (collection & analysis of data). Composing of the Cypriot National Report.
Duration	01/02/2012-30/12/2012
Title	<b>GATE - Guardians for separated children Against Trafficking and any form of Exploitation: Standards and Training for the qualification of guardians for separated children against trafficking and exploitation. CARDET LTD.</b>
Role and Contribution	Principal Researcher (collection & analysis of data). Composing of the Cypriot National Report.
