HONORABLE MENTION
in the competition "Hustle Hub, youth housing design 2022"

Raphaela Nicolettis
4th year Architecture student, University of Nicosia
Project "IMPULSE; A HUMAN THAT GROWS, IN A
BUILDING THAT GROWS TOO"

Section A-A' — Windcatcher, Adobe Bricks Produced on-site with local soil, Adobe Vaults, Shaded Arcades, Light Well – Controlled Lighting, Cooling Labyrinth

Section B-B' — Increased Thermal Mass, Underground Passageway, Cooling Labyrinth

Program Arrangement — Intellectual, Social, Emotional, Physical, Occupational, Spiritual Experience
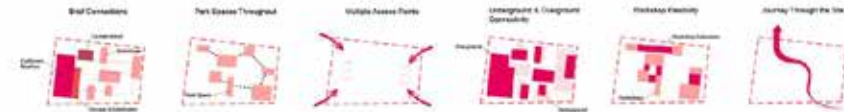

Exploded Levels

The program is aimed towards all kinds of visitors. People who would like to relax and enjoy a calming stay with social gatherings, food and drink, people who would like to take the time to learn new things like in the author's retreat were they can read or write, people with a more adventurous spirit who can go exploring in the mountain sides or trailblaze in the dunes, people who seek spirituality and have a unique underground enlightening experience or even people aiming to acquire new skills or enhance their existing ones. It targets not only tourists but also people from nearby and local communities.
