

CURRICULUM VITAE

Despo Ktoridou

Professor (2019)

Head, Department of Management (2012-present)

UNIVERSITY OF NICOSIA

P.O. Box 24005, 1700 Nicosia , Cyprus

Tel.: + 357-22-841732 Fax : + 357-22-357481

E-mail: ktoridou.d@unic.ac.cy or despo@ktoridou.unic.ac.cy

Postgraduate work:

Ph.D. in the field of “Expert Systems in Education”, **Dissertation:** “Distance Learning Educational System for Early Childhood Education: Methods, Facilities and Means”, Department of Engineering & Sciences, Saint Petersburg Electrotechnical University (1996-1999)

Graduate work:

M.Sc. of Science in Engineering, in the field of Computer Systems & Networks, **Dissertation:** “Computerized Fire Alarm System”, Department of Engineering & Sciences, Saint Petersburg Electrotechnical University. Russia (1991 - 1993).

Certificate in teaching Russian language. **Direction:** Methodology for Teaching Russian Language as a Foreign Language” Language center at Saint’s Petersburg Electrotechnical University. Russia (1991-1993)

Undergraduate work:

B.Sc. of Science in Engineering, in the field of Computer Systems & Networks, Department of Engineering & Sciences, Saint Petersburg Electrotechnical State University. Russia (1987-1991).

Positions held:

Systems Engineer (Technical Department) Alert Computer services Ltd (1993-1997).

Systems Engineer / Technical Training Instructor, HITS - Hadjikyriakos Information Systems, Silicon Graphics, Ltd (1997-1999)

Assistant Professor, Intercollege – Cyprus, 1999-2007

Associate Professor, University of Nicosia, 2007-2019 *(Head, Department of Management & MIS 20013-today)

Professor, University of Nicosia, 2019

Areas of concentration/Research Interests:

- Instructional Technologies
- Convergence of Technology, Learning and Business
- Technology and Innovation Management Pedagogies
- Open and online distance learning practices

Professional Associations:

Organization/Field	Title
--------------------	-------

ETEK -The Cyprus Scientific and Technical Chamber	Certified Engineer
IEEE IEEE Engineering Management	Member
AIS, Association of Information Systems	Member

Funded Programs:

Erasmus Training Mobility Program. Verona University, Italy. **Duration:** 12th – 16th September 2023

Up2U Up To Universities, coordinated by GÉANT (<https://up2university.eu/>), **Position:** Subject Matter Committee - SMC Scientific Member. Website: <https://up2university.eu/smc/#smcmembers>

Erasmus + EUNITE (2017-2018), Key Action: Cooperation for innovation and the Exchange of Good Practices, **Project Title:** EUNITE - European youth Network for diversity and TolerancE, **Position:** Scientific Partner, **Project Duration:** 16 months. Website: <http://www.netlaw.bg/en/a/european-youth-network-for-diversity-and-tolerance-e-unite>

Erasmus + KA202 – Strategic Partnerships for vocational education and training. Key Action: ENgineering and Industry Innovative Training for Engineers [ENGINITE] 2017-2019. **Project Aim:** Develop an innovative vocational training programme, which will use synchronous methods aiming to set a higher standard level for engineering training. **Position:** Member of the National Advisory Board. Website: <https://www.enginite.eu/our-team/>

Erasmus + YESICT (2015-2018), Key Action: Cooperation for innovation and the Exchange of Good Practices, **Project Title:** Young Entrepreneurial Skills by ICT, **Position:** Cyprus Project Coordinator. **Project Duration:** 36 months (*I have developed the Pedagogical Methodology, which is based on Challenge-based learning with Design thinking. Website: <http://yesict.eu/#methodology>*).

Erasmus Teacher Mobility Program. Lectures on MIS, School of Business, School of Mathematics and Computers, University of Girona, Spain. **Project Duration:** 13th – 23th July 2012

Erasmus Teacher Mobility Program. Lectures on “Data Communications”, “M-Business”, School of Business, University of Girona, Spain. **Duration:** 16th – 23th May 2011

Erasmus Teacher Mobility Program. Lectures on “Data Communications”, “M-Business”, School of Business, Birmingham City University, Birmingham, UK. **Duration:** 20th – 27th June 2008

Erasmus Teacher Mobility Program. Lectures on “Wireless Technologies in Marketing Communication Process”, Facoltà di Scienze della Comunicazione e dell'Economia, Università di Modena e Reggio Emilia, Reggio Emilia. Italy. **Duration:** 21th – 26th September 2007

Erasmus Teacher Mobility Program. Gave three lectures (one lecture through video conferencing) on “Wireless Technologies in Marketing Communication Process”,

Facoltà di Scienze della Comunicazione e dell'Economia, Università di Modena e Reggio Emilia, Reggio Emilia, Italy. **Duration:** 12th – 19th March 2006.

Socrates/Comenius 2.1, ECNTLT – European Curricula in “New Technologies and Language Learning”, **Project Description:** Design, Implementation, Development & Evaluation of an online system for teaching and learning Greek as a second language (authoring tool WebCT) **Course Coordinator:** Dr. Androulla Papakyriakou Language Department Intercollege, **Project Team:** Dr. Salwmi Papadema, Dr. Despo Ktoridou D. (System implementation, design & development), **Project Duration:** 2003 – 2006.

Erasmus Teacher Mobility Program. Gave four lectures on: “Integrating New Technologies in Early Childhood Education”. CES Don Bosco, University of Madrid, Department of Languages & Education, Madrid, Spain. **Duration:** 24th – 30th May 2004

Institute for Promoting Research (RPF) “Design Development & Evaluation of Open and Distance Learning Material: The case of Intercollege” **Project Coordinator:** Professor Philippos Pouyioutas Computer Science Department Intercollege, **Project Team:** Dr. Dmitri Apraxine & Dr. Despo Ktoridou . (System Design & Development), Dr. Andreas Savva & Ms. Vasso Stylianou (Content design and development of educational material), **Project Duration:** 2000 – 2002. **Fund:** £31500

Awards/Distinctions:

- As a Program Coordinator, achieved the Highest accreditation score (5 out of 5), by the Agency of Quality Assurance and Accreditation in Higher Education for the Bachelors in Business Administration DL Program (January 2017).
- **“Outstanding Performance as Special Session Chair”** Awarded, at IEEE EDUCON 2017, Challenging the Transition from the Classic to the Emerging in the Engineering Education, IEEE Global Engineering Education Conference, Greece, Athens, 25-28 April 2017
- **“Outstanding Performance as Author”** of the paper titled *Task-Based Internships: Fostering Ideal Learning through Experience* Awarded, at IEEE EDUCON 2017, Challenging the Transition from the Classic to the Emerging in the Engineering Education, IEEE Global Engineering Education Conference, Greece, Athens, 25-28 April 2017
- **“Outstanding Performance as Author”** of the paper titled *Virtual Whorls as a Platform for Learning: The Case of Transmission System Operator*, Awarded, at IEEE EDUCON 2017, Challenging the Transition from the Classic to the Emerging in the Engineering Education, IEEE Global Engineering Education Conference, Greece, Athens, 25-28 April 2017
- **“Outstanding Performance as Special Session Chair”** Awarded, at IEEE IMCL2015 - 9th International Conference on Interactive Mobile Communication Technologies and Learning, Thessaloniki, Greece, 19 - 20 November 2015
- **“Outstanding Performance as Special Session Chair”** Awarded at IEEE IMCL2014 – 8th International Conference on Interactive Mobile Communication Technologies and Learning, Thessaloniki, Greece, 13 - 14 November 2014
- Cyprus Ministry of Economy, Full Scholarship, **B.Sc.**, in Computer Engineering, 1986-1991
- Cyprus Ministry of Economy, Full Scholarship, **M.Sc.**, in Computer Engineering, 1991-1993

- Cyprus Ministry of Economy, Full Scholarship, **Ph.D.**, in Computer Engineering / Computer Science, 1996-2002

Invited Talks, Seminars & Colloquia:

Chair, Special Session, Entitled “Educating the Future Engineer Business Generalists to become Powerful and Dynamic Leaders” for the EDUCON 2025 - IEEE Global Engineering Education Conference, London, UK Kos April 22 – 25, 2-25. Website: <https://2025.ieee-educon.org/program/special-sessions>

Chair, Special Session, Entitled “Technology Major Student Engagement: Pedagogical Paradigms” for the EDUCON 2024 - IEEE Global Engineering Education Conference, Kos Island, Greece, May 8-11, 2024. Website: <https://2024.ieee-educon.org/>

Chair, Special Session, Entitled “**Preparing the future Engineer-Business Generalists who can Lead Technological, Economic and Social Change.**” for the EDUCON 2023 - IEEE Global Engineering Education Conference, Salmiya, Kuwait, May 1-4, 2023. Website: <https://2023.ieee-educon.org/special-sessions>

Chair, Special Session, Entitled “**Preparing the Future Digital Transformation Experts: Interdisciplinary Learning Pedagogies**” for the EDUCON 2022 - IEEE Global Engineering Education Conference "Digital Transformation for Sustainable Engineering Education, Tunis, Tunisia, March 28-31, 2022. Website: <http://educon-conference.org/current/index.php>

Invited Lecture Entitled “**Understanding Technological Change**”, for the International Teaching Week within BTUGLOBAL 2021, Business and Technology University, Georgia, December 1, 2021, 10:00 CET

Chair, Special Session, Entitled “**Experiential Learning Practices for Technology Major Students**” for the EDUCON 2021 - IEEE Global Engineering Education Conference Women in Engineering, Vienna, Austria. April 21-23, 2021. Website: http://www.educon-conference.org/current/cfp_elpsft.php

Invited Talk, Talk Title: “**Preparing Young Entrepreneurs to Drive Technological Change**”, for the “**Citizen’s Dialogue in Youth Entrepreneurship**”, organized by Europe Direct information Centre Nicosia and the European Documentation Centre University of Nicosia, **University of Nicosia, February 27, 2020.**

Chair, Special Session, Entitled “**Active Learning Environments: Preparing Future Engineers for the 21st Century Workplace**” for the EDUCON 2020 - IEEE Global Engineering Education Conference "Engineering Education for the Future in a Multicultural and Smart World" organized by the University of Coimbra, University of Porto and Polytechnic of Porto, Porto, Portugal, April 28-30, 2020. Website: http://www.educon-conference.org/current/cfp_ALEPFECW20.php

Invited Talk, Talk Title: “**YesICT Project - Fostering Entrepreneurial Skills to school age children**” for the Junior Achievement Cyprus, **November 2, 2019.**

Invited Talk, Talk Title “**Engaging Students: Pedagogical Approaches**” for the ERASMUS + Sihtasutus Archimedes (Archimedes Foundation) project Titled: “**Designstem: integrated design + STEM education**” (identifier: 2016-1-EE01-KA202-017347). University of Piraeus, Athens, Greece, June 20, 2019.

Chair, Special Session, Entitled: “**Educating the Future Engineer-Managers of Technological, Economic and Social Change – EFEM 19**” at the EDUCON 2019 - IEEE Global Engineering Education Conference. Organized by the American University in Dubai, Dubai, UAE, April 08-11, 2019. Website: http://www.educon-conference.org/current/cfp_EFEM19.php

Invited Lecturer, Lecture Title: “**Business canvas: Customer Needs in the Era of Technological Change**”, at ENGINITE Vocational Training Programme, ERASMUS + Project, October 24th 2018 18:00-21:00.

Chair, Special Session, Entitled: **“Innovative Pedagogies in Technology Education I (15:00-16:30) – IPTE 18”** at the EDUCON 2018 - IEEE Global Engineering Education Conference organized by the University of La Laguna, University de Vigo and National University of Distance Education, Spain, Santa Cruz de Tenerife, Canary Islands, April 17-20, 2018. Website: http://educon-conference.org/educon2018/cfp_IPTE18.php

Chair, Special Session, Entitled: **“Innovative Pedagogies in Technology Education II (16:30-18:00)– IPTE 18”** at the EDUCON 2018 - IEEE Global Engineering Education Conference organized by the University of La Laguna, University de Vigo and National University of Distance Education, Spain, Santa Cruz de Tenerife, Canary Islands, April 17-20, 2018. Website: http://educon-conference.org/educon2018/cfp_IPTE18.php

Chair, Special Session, Entitled: **“Beyond Engineering/Science Education: Time to Expand Technical Depth while Increasing Business Knowledge”**, at the EDUCON 2017, IEEE Global Engineering Education Conference, Athens, Greece, 25-28 April 2017. Website: http://www.educon-conference.org/educon2017/cfp_BESE.php

Chair, Special Session, Entitled: **“STEAM Technologies for Engineering Learning**, at the EDUCON 2016, IEEE Global Engineering Education Conference, Abu Dhabi, UAE, 10-13 April 2016. Website: http://www.educon-conference.org/educon2016/cfp_steam.php

Invited Lecturer, Lecture Title: **“Sources of Innovation”**, for the Halcyon School on Digital Innovation and New Product Development, Digital Championship”, University of Nicosia, Cyprus, January 25 – 30, 016.

Chair, Special Session, Entitled: **“Mobile Social Networking Technologies and Applications (MSNTA)”** at the IMCL2015, 9th International Conference on Interactive Mobile Communication, Technologies and Learning, Aristotle University of Thessaloniki, Thessaloniki, Greece, November 19-20, 2015, Website: <http://www.imcl-conference.org/imcl2015/documents/msnta.pdf>

Invited Speaker, e-Talk Title: **“Engineering Management: Preparing Engineering Managers to Drive Technological and Social Change”** at the 2nd International Conference & Exhibition Industrial Engineering Dubai, UAE. November 16-18, 2015.

Chair, Special Session “Combining Mobile Learning and Cloud Computing in Education” at the IMCL2014 8th International Conference on Interactive Mobile Communication, Technologies and Learning, Aristotle University of Thessaloniki, Thessaloniki, Greece, November 13-14, 2014, Website: <http://www.imcl-conference.org/imcl2014/mlcce.php>

Invited Speaker, **“Managing Multidisciplinary Classes: Evidence from the University of Nicosia”**, International Conference **“The Role of Multidisciplinary Research in Teaching and Learning”**, Lyceum Conference Hall, Walters State Community College, 500 South Davy Crockett Parkway Morristown, TN 37813-6899, USA, May 23rd, 2014.

Invited Speaker, Talk Title: **“Managing Innovation & Change”**, at the event **“Engineering Management: Preparing Engineering Managers to meet Technological and social change”**, University of Nicosia, February 21st, 2014.

Invited Speaker, Talk Title: **“MIS Specialization”**, at the event **“Handshake with Technology”**, University of Nicosia, November 16th, 2013.

Invited Speaker, Talk Title: “**Innovation in Cyprus**”, at the event **e-Innovation 2013**, Event, University of Nicosia, March 14th, 2013.

Invited Speaker, Talk Title: “**Social Networking Safety**”, for the **Cyprus Citizens Open University**, June 30th, 2011.

Invited Speaker, Talk Title: “**Intelligent Decision Support Systems: Fundamentals of Expert Systems**”, University of Warwick, UK, International Manufacturing Center, Warwick Visualization Group, July 3rd, 2008.

Invited Lecturer, Lecture Title: “**Receptionists Program**”, EU Program **EQUAL**, Intercollege – Nicosia Campus, 40-hour Computer Literacy Skills Course, April – May 2007.

Invited Lecturer, Lecture Title: “**E-commerce & E-marketing**”, EU Program **EQUAL**, Intercollege – Nicosia Campus, 20-hour course, May 2007.

Invited Lecturer, Lecture Title: “**E-commerce: Internet and Mobile Technologies**”, Intercollege –Nicosia campus, Department of Marketing, Course “Strategic Marketing for Competitive Advantage”, January 2006.

Invited Lecturer, Lecture Title: “**ICT Bridging EFL and Fairy Tale learning**”, Gettsena University, Department of Education, Saint Petersburg Russia, Lecture – workshop, June 2005.

Invited Lecturer, Lecture Title: “**IT in Early Fairy Tale Learning**” & “**IT in Early Math Learning**” Intercollege – Larnaca open lectures on: Palm Beach Hotel 15 May, 2004

Invited Lecturer, Lecture/Workshop Title: “**InterLearning Content Management System**”, Intercollege – Nicosia/Larnaca/Limassol, December 2003.

Invited Lecturer, Lecture/Workshop Title: “**Technology in the Early Childhood Fairy Tale learning**”, Intercollege –Nicosia campus, Department of Education, May 2003.

Invited Speaker, Lecture Title: “**Technological aspects in the Early Childhood Math Curriculum**”, Gettsena University, Department of Education, Saint Petersburg Russia, Lecture – workshop, September 2002.

Invited Lecturer, Lecture/Workshop Title: “**WebCT – An Authoring Tool**”, Intercollege – Nicosia, Department of Computer Science (for the lecturers of Intercollege), June 2002

Invited Lecturer, Lecture Title: “**Educational Technology in the Early Childhood Curriculum**”, Gettsena University, Department of Education, Saint Petersburg Russia, June 2000.
