2. Normal (full) attendance corresponds to 30 ECTS per semester (60 ECTS per year). For Medical School there is a compulsory full time attendance of 60 ECTS per academic year.
3. A variety of scholarships are available to full-time students, including academic merit scholarships, financial aid assistance, athletic scholarships and on-campus work-study programs. Different scholarship schemes apply for Medical School. More information about scholarships can be obtained from the Admissions Department.
4. Scholarships/financial aid apply to tuition and are deducted from the monthly instalments of each semester.
5. A late payment charge of 4% per year may be imposed on all overdue amounts until their full settlement.
