Experience

Administrative

University of Nicosia Business School, PhD coordination

- Coordinator of Doctoral Programs of the School of Business since February 2016
- Coordinating the assessment of more than 100 applications per year
- The coordination involves, amongst other things, communicating with potential applicants, preliminary screening of applications, setting up committees to review applications, running the meetings, finalizing decisions, following up on pending cases with colleagues and applicants and communicating with applicants.
- Following up the progress of existing students (currently 42). This involves collecting the annual reviews of supervisors, putting together the annual report for each student, organizing approval from the supervisory team, sending the report to students and following up on getting their response.
- The first four students graduated from the program this year

Member of the National Bioethics Committee for the Assessment of Clinical Trials in Medicinal Products for Human Use

- Member of the Committee (1/12/13 - 30/11/15)
- Reviewed and commented on research proposals that were assessed by the Committee from the bioethical point of view

Member of the Board and President of the Cyprus Family Planning Association

- Have been volunteer member of the Cyprus Family Planning Association for 20 years
- Served as member of the Board for six years and President for two
- Contributed to discussions about the strategic direction of the association, coordinated participation in several European programs and participated in a number of committees (e.g. advocacy, education, service provision, disseminating of information etc.)
- As President of the organization, I led the efforts for the introduction of sexuality education in schools a long standing aim of the organization.
- Coordinated and participated in several meetings with members of the association, experts, government officials and the Minister of Education.
- Sexuality education was formally introduced in schools at the end of my presidency.

Member of a committee of academics, business leaders, government officials for production of a white paper on the governance of State owned enterprises

- In 2010-2011, as member of a two person team (myself and the Rector of the University) coordinated with members of the Cyprus Association of Directors and government officials to write a white paper on the governance of state-owned enterprises in Cyprus.
- Organized and participated in several meetings, coordinated communication, did research and contributed actively in producing the white paper that was presented on a number of occasions both within and outside of the university.

Marketing Manager in Louis Tourist Agency

- Designed and coordinated the implementation of the Marketing plan of the organization.

Planning and Research Officer, Cyprus Popular Bank

- Coordinated the strategic planning process and presented results to top executives

Advisory

- Currently supervising five PhD and five undergraduate theses
- Have supervised to completion eight master's and seven undergraduate theses

Teaching

- Have taught more than 30 different courses since started teaching in 2001 (more than 160 classes in total)
- Courses taught include:
 - Strategy and Business Policy
 - Leadership in Organizations
 - International Business
 - Change Management
 - Teamwork and Collaboration
 - Human Resource Management
 - Planning, Recruiting and Selection
 - Organizational Behaviour
 - Introduction to Management
 - Business and Society
 - Managing Cultural Diversity
 - Operations Management
 - Quantitative Methods
 - Research Methods

- Student evaluations of teaching consistently high. Very positive comments are often received on enthusiasm, innovative teaching, encouraging independent thinking and assisting students when they have difficulties

Extra-Curricular Activities

Civil Society: Cyprus Family Planning Association

- Member of the Association for 20 years
- Participated and organized numerous workshops and training sessions
- Was the key speaker in presentations to groups of pupils, students and parents on many occasions
- Trained teachers in programs organised by the Ministry of Education
- Participated in many seminars and conferences in Cyprus and abroad
- Co-authored a training manual now used in schools

Participation in non-academic conferences, seminars, workshops, short-study visits

Have participated in many activities including:

- *European Connection Conference, 'Global Governance: The European Union, A Model for the World?' Maastricht, 28 Apr-3 May 2003*
Organised by the Model European Union (MEU) the conference aimed at explaining the functioning of the European Union and promoting understanding between the peoples of Europe
- *Short Study Visit, Gulemborg, The Netherlands, 16-23 Mar 2002*
Sixteen representatives from different European countries participated in the visit which aimed at discussing ways to enhance youth participation
- *Project Cycle Management Greece, 29-30 Sep 2001*
Organised by the International Planned Parenthood Association, the workshop aims at improving skills in planning and managing projects
- *'Role of Youth Organizations in an Open Society: Experience of the Europeans'. International Youth Convention, Estonia, 5-22 Aug 2001*
Fifty participants from 12 countries participated in the event that was organised by 'Youth for Exchange and Understanding'. The main theme of the event was the discussion of how formal and informal education can complement each other and how youth organisations can have a role in this.
- *Democratic Leadership Programme, European Youth Centre, Strasburg, 8-13 Dec 1997*
One-week seminar on conflict resolution and negotiation
